

Course Information Form

This Course Information Form provides the definitive record of the designated course

Learning support

The course team will be your first point of contact while you are studying and you will also be allocated to a student self-study support group, which will also act as both a learning and motivational help to you. You can meet up face-to-face apart from the times you are at the University or can contact via email.

Students are supported through a comprehensive Welcome process in the week prior to the start of your first teaching block. During this week you will be supported in good academic practice, the use of formative assessment, personal and professional development and allocation of a Personal Academic Tutor. Students are supported in a number of ways.

- The Student Information Desk (SID) <http://www.beds.ac.uk/studentlife/student-support/sid/services> provides a range of support services and an interface to the University Student Engagement and Mitigation Team for extenuating circumstances <http://www.beds.ac.uk/studentlife/student-support/academic/extenuating>
- A Student Advisory Service is provided within the Business School to assist with general academic advice.
- Subject Librarians can assist with advanced information retrieval for assignments and the dissertation in particular <http://lrweb.beds.ac.uk/help/ALLs/Subjects>
- Study Hub provides advice and guidance on developing academic skills <http://lrweb.beds.ac.uk/studyhub>

Support provided during Welcome week is further reinforced through the Advancing Professional Practice process prior to the employability to support your transition into the work environment.
